

2 Analyse / Conception

2.1 Concept

The image displays four mobile application wireframes arranged in a 2x2 grid. Each wireframe is enclosed in a rounded rectangle with a black border and a small circle containing a question mark in the top right corner.

- Oublie-Pas:** Features a title bar with the text "Oublie-Pas". Below it is a "Trier" button. The main content area contains a list of 12 items, each with a "Titre" label, a date "1/1/2000", and a checkbox. At the bottom, there are two buttons: "Ajouter un rappel" and "Parametres".
- Nouvel Objectif:** Features a title bar with the text "Nouvel Objectif". Below it is a "Titre" label and a text input field. This is followed by a "Description" label and another text input field. Below these are two labels, "Rappel" and "Date/heure", with a radio button and a text input field respectively. A list of six "Catégorie custom" items, each with a checkbox, follows. At the bottom is a "Sauvegarder" button.
- Paramètre:** Features a title bar with the text "Paramètre". Below it is a "Nouvelle catégorie" label and a text input field. This is followed by an "Ajouter la catégorie" button. A list of ten "Catégorie custom" items, each with a checkbox, follows. At the bottom is a "Sauvegarder" button.
- Modifier objectif:** Features a title bar with the text "Modifier objectif". Below it is a "Titre" label and a text input field. This is followed by a "Description" label and another text input field. Below these are two labels, "Rappel" and "Date/heure", with a radio button and a text input field respectively. A list of six "Catégorie custom" items, each with a checkbox, follows. Below this list is the text "Date de création : 1/1/2000". At the bottom is a "Sauvegarder" button.

Voici un diagramme qui montre dans les grandes lignes le déroulement d'une partie du point de vue d'un utilisateur.
